

# Doodling

- Zahidur Rahman

Take a child,  
Bring it a pen,  
Also, a slide,  
To Doodle.

It is mild,  
Blue, black, red, green,  
Travelling fast and slow with little glide,  
Beware of the doodle!

You can't find anything,  
But it has everything,  
These soft lines,  
Can create amazing drawings.

The uncontrolled hand doodles under the slide,  
Don't be so rough, smooth lines should be seen with pride.
