

THE PATH

- Zahidur Rahman

Do you know?

How to know?

Or, to write?

How to write?

Is this an end?

Like your life in the end?

Don't you see?

What should it be?

Why to find desire?

Why to get little pleasure?

Isn't the path clear?

Don't you feel some fear?

Why to follow forefathers?

Why to be the blind followers?

Can't they find the truth?

Don't you want the truth?

Have they not travelled through the land?

Have they hearts wherewith to understand?

Have they ears wherewith to hear?

It is not the eyes that grow blind,

It is the hearts (which are in the breasts) that grow blind.

[22:46]
