

# **YOU HAVE TO CHOOSE**

- Zahidur Rahman

What is a religion?

Shouldn't it be like a pigeon?

Make the right decision.

Don't care about the simeon.

Don't follow the cultures.

Know about the scriptures.

Why to worship the sculptures?

Why to assume those pictures?

Why to need a mediator?

Can't you ask the creator?

You should not be a novator.

Fear the creator!

**You have to foreknow,**

**To create an afterglow.**

**Will not you be resurrected in cockcrow?**

**Will there be remorse after the alpenglow?**

**There is a connection, everyone should know!**
